First rider out at 9:00am.

Awards: Awards to 5th, prizes to 1st and 2nd. Specialty prizes awarded throughout the day - including best costume!

Class Descriptions: USEF Jumper Division rules apply unless otherwise stated.

Warm-up: Competitors may choose to ride their warm-up course before any judged competition round throughout the day.

Table II 2.b: Riders who clear the power jump round will pause before starting the speed round/ jump off. Riders must wait for the audible signal from the judge before riding the Jump Off.

Table II 2.c: Riders will ride straight from the power round into the speed round (Jump Off). A whistle will sound for riders incurring faults who may not proceed into the Jump Off round; those riders must immediately leave the arena at a walk.

The Grim Reaper's Relay: A pair relay against the clock. The first rider will jump the first half of the course then will pass a baton onto their teammate who will ride the second half of the course. THE CATCH - if a rider has a refusal the teammate must take over at that fence (grabbing the baton). Rider's must still switch at the halfway mark if the refusal occurs during the first-half of the course.

Gambler's Choice: Participants choose their own course, with each fence cleared worth a given amount of points based on difficulty. The entry who accumulates the most points within a 60 second time limit on course is the winner. Each fence may only be jumped twice, jumping a third time will result in disqualification. Jumping a fence backwards will result in elimination. No faults will be given for rails or refusals. Once a jump is knocked down, it may not be jumped again by that rider. At the end of the time limit a whistle will be sounded. Riders will then be allowed to attempt the Joker fence - a higher, more difficult jump with a high point value. If cleared the points will be added to the rider's total; if refused or knocked down - the points will be deducted from the rider's point total. The joker is the only fence that can be jumped after the whistle sounds.

Jumper Under Saddle: Flat class judged on horse's suitability for the jumper court - or a good warm-up for your jump classes!

Musical Ponies: Teams of one horse and two riders compete to be the first ones to switch who's mounted when the music turns off!

Classes: First attempt of course will be judged. Up to two schooling rounds are allowed per class. Multiple riders may share a horse, but may not ride in the same class. Consideration must be given to the horse's well-being and number of classes entered. Management and/or the judge may limit classes for unfit/ tired horses. Classes may be combined, divided or cancelled if warranted.

Attire: Feel free to wear any appropriate and safe riding attire. All participants must wear boots with a heel as well as an ASTM/ SEI approved helmet. Costumes are encouraged and must be secure and provide no risk to the horse(s) and rider for injury and may not have any parts or components that may get caught on jumps. Management reserves right to request changes to unsafe costumes.

Stabling/ Office Fee: \$25 fee for one day of showing, \$65 for the weekend (Fri - Sun) per horse. Fee includes office fee AND 1 stall with 1st bag of shavings. No tying to trailers in the parking lot allowed. No stall construction changes or damage allowed. A \$150 damage fee will be issued for any repairs needed. Extra shavings available on site for \$10 per bag. Stabling will be assigned.

Stall Deposit: \$10 stall deposit will be refunded upon stripping of your stall OR the KRPC will clean it for your \$10 donation! Sign up for end-of-the-day stall stripping and support this great group of kids at the show office.

NSF Checks: Returned checks will accrue a \$40.00 assessment.

Longing: Longing will NOT be allowed in the warm-up arena. A safe, outside longing area will be designated.

Refunds: No day-of refunds for stabling/office fees or purchased tickets once entered. Pre-entries will be refunded up to 3 days before the show. If weather forces cancellation or shut down of the show with no option for rescheduling, refunds will be awarded.

Decisions/Disputes: The judge's decision is final. If the judge or/and staff member decides that an animal is not fit to show, that decision will be final. Any disputes should be brought to the attention of the show manager immediately.

Disqualifications: The show manager's and/or judge's decision to disqualify a rider and/or coach is final. No refunds will be provided. The grounds for disqualification are as follows: 1. Unsportsmanlike conduct toward horse(s), human(s) and any other aspect of the show, 2. Unruly, dangerous or uncontrollable horse(s), 3. Abuse or mistreatment of any horse including severe bits or training devices, 4. Showing or schooling a horse that is exhausted, injured or lame, 5. Deliberate abuse or damage to show grounds.
